Hi Elena,

Thanks for your message. I love Boston! Yes, it's cold, but my new apartment is nice and warm. Five girls live here, and we're all from different countries: China, the Philippines, Morocco, Canada, and Mexico. Three of us are students (me, Zainah, and Cindy). The other two aren't students: Cory is a sales assistant in a store downtown. And Louise is a hotel clerk, but her job's not very interesting! They're all very nice, and funny!

The apartment's great, and it's next to school! The refrigerator's really big, and the TV in the living room is big too! My bedroom is very nice, and there are two beds. So, come and see me soon!

Hi Mom!

I love life at college. Every day is a fun day!

The apartment is OK. It's small but it is cool, and we have two bedrooms and a bathroom. I share a bedroom with Martina. Martina is very friendly. She's Peruvian and she's 22.

Every day from Monday to Friday, Martina and I have classes in the morning from 9 a.m. to noon. In the afternoon, we have free time because we don't have classes. I usually study in the apartment (I have a desk), or I run in the park. There is a big park near the college.

In the evening, I sometimes go to the movie theater with friends to see a movie. But I don't go out late during the week because I get up at 7:30 a.m. every day. Friday evening is different though! On Fridays, I usually go out with my friends. We go out to a restaurant or a café and we chat a lot!

On the weekend, I always get up late and I have a big breakfast with Martina. Before we go to the mall I always send a text to Grandma and I tell her about my week.

My apartment is small but it has three bedrooms, and a really big kitchen. I know you like cooking! If you don't want to cook we can go to Ceviche, a great Peruvian restaurant in the neighborhood. If you don't like Peruvian food then we can go to the Hotel Alba because the restaurant is international. My cousin Pablo works at the restaurant as a server. My apartment is downtown and it is great for shopping. There is a supermarket near my apartment and there are lots of stores in the shopping mall. We can go shopping tomorrow or we can take a bus to an interesting museum. There are lots of great places to see on the weekend.

My life these days

Hi, I am Miranda. Welcome to my blog post. I am a wife, a mother of three children, and a teacher. My life is busy, busy, busy and sometimes it is difficult to have time to cook healthy food and have a healthy life.

I'm not a chef but I love food, and today I'm cooking party food for children. My children love parties and the food at parties is very important. Right now, we are all in the kitchen. My daughters are drinking milk, and my son is washing his hands because he is helping me to cook the food. They're all very excited because we're making cookies, and they love cookies. Cookies are their favorite food. They love them! They're talking and singing and making a lot of noise!

Dear Ms Gonzalez

I am writing to apply for a job at the summer sports camp for young people in Stamford.

I am twenty-two years old. I have a high school diploma, and I have experience as a hotel clerk at the Ranford Hotel.

I work at a restaurant at night but I am free in the mornings and in the afternoons. I have a lot of free time Monday to Friday before I go to the restaurant at 6 p.m. On the weekend, I am completely free and I can work.

My cousin Silvia Perez works at the summer camp, so I have some information about the camp. I know that the children do sports every day, and I play soccer very well. I play on a soccer team in Stamford and we play every Saturday morning. I love all sports, and I run every day. I can skateboard and swim, but I can't surf, so I am taking classes to learn. I can't drive, but I'm learning to drive right now.

I can speak two languages, English and Spanish, and I can play the guitar. I know that communication skills are important for this job, and I like people and communicate well. I also think that teamwork is important and I can work well with other people.

I think I can do this job very well, and I hope you agree.

Sarah76 USA: Hi. I want to travel to a cool place with my boyfriend in November. We're thinking about Indonesia. Can you help us?

Travel Guru: Do you like to relax on vacation? Do you want to travel around islands? If you do, then Indonesia is the place for you! I love Indonesia and it is my favorite place for a vacation. Indonesia is a country made of more than 18,000 islands!

You can go to Lombok. Lombok is a small island between the islands of Bali and Sumbawa. You can fly to Lombok from Jakarta. But you don't have to fly, you can travel by boat. Traveling by boat takes a long time so the flight is a good option and the ticket isn't expensive.

What do you like to do on vacation?

Sarah76 USA: My boyfriend and I like to relax on the beach and we like to surf.

Travel Guru: Lombok has lots of beaches so you can swim or surf. Or, you can just relax. If you want to visit forests and if you want to see animals then you have to go to Borneo or Sumatra.

Sarah76 USA: We have to travel in November because we're working during the other months. Does it rain in November?

Travel Guru: It sometimes rains in November but you don't have to stay in the hotel all day. You don't need to change your plans.

Hi Iker

Are you ready for our trip to Vietnam? I'm so excited. Our vacation is in just 15 days. Amazing!!

We have to talk soon about what we are going to take with us. I have the plane tickets and the hotel information but we need to talk about what clothes we are going to take with us.

I know that it's the rainy season, but it's going to be hot every day, so I'm going to take shorts and T-shirts. I need to buy a hat for during the day. Oh, I know, I think my sister Clara has one that I can take. I need to go shopping next week to buy some shoes for the beach.

I'm going to ask Clara to take us to the airport on the morning that we leave. The flight is at noon, so we need to be at the airport at about 10:00, two hours before the flight. We're not going to need more than two hours because we don't have many bags to check in.

I'm going to call Esteban this evening because he knows the country very well. I'm going to ask him to get together with us next week. We can ask him questions and he has some photos from his last trip to Vietnam.

There are so many things that I want to do on this vacation. I have a list! I'm going to walk by the ocean, watch the sunrise on the beach and we're going to go dancing at night!

I'm really, really, ready for this trip!!

Hi Bruno,

How are you doing? It's very quiet at home, now that you are at college. We're all OK. Dad's working at the hospital this month and so he usually gets home late, so I don't see him very much. Mom's writing a new book, so she doesn't have much free time. I'm working really hard right now, but my last exam is on Friday and so I'm going to take a break for a few days after that. I'm going to go surfing with Diego!!

I'm sending you some photos. I think the first one was a birthday party, because you can see some birthday gifts. There were a lot of flowers in the garden, so I think it was spring. Mom and dad weren't there, so it wasn't Dad's birthday. I can't remember when it was because it doesn't have the date on the back. Where do you think we were? I think it was Aunt Clancy's house.

You're going to love the second one, it's funny. It was your first day at school. Your hair was so short! You were so cute! And, look at Mom's dress. It was an awful color! She never wears brown clothes now, not like the color in this photo. I'm going to show her this photo, to see if she remembers the day.

OK. I'm going to finish what I'm doing.

See you soon!

Our room was beautiful, and there were flowers in our room when we arrived! The bed was comfortable and the bathroom was really big and new. The hotel restaurant wasn't very good, but there are a lot of nice restaurants near the hotel.

We went to a restaurant in Acapulco Bay for my birthday and we had a special meal. I think it was called Secret Garden and I remember the food was delicious. I think Alexey had steak and I had fish. It was very good. Any they have some great desserts. We both had pineapple cake with coconut ice cream.

We both loved the restaurant because it was very light and there were a lot of plants. It was a special meal in a very special garden restaurant.

The neighborhood near the hotel is nice to take a walk. There were some good stores. I think there was a shopping mall, but the stores near the hotel were great. I bought some lovely shoes. It's a big place but we took a bus tour one day and it was a great way to see the city.

Report on The Riverside Hotel and Restaurant

I visited your hotel and restaurant on November 15th this year. This is a report about the quality of the hotel and of the restaurant.

I stayed one night in your hotel on the night of November 15th. I stayed in room number 336.

The room was very light because it had a lot of windows. The bed was comfortable and the shower in the bathroom was great. The bedroom had a large TV and a desk, but it didn't have good Wi-Fi. It was very slow and I needed Wi-Fi to do my work.

I had dinner that night in the hotel restaurant.

I had the fish soup and the chicken with black beans. The soup was good, but the chicken was awful and I didn't like the black beans.

For dessert I had chocolate cake with orange ice cream. After dessert I asked for coffee, but the server gave me a cup of tea.

After the meal, I went to my room to think about your hotel and I drank coffee in my room. I'm giving your hotel a review of two stars, because I wasn't happy with the meal I had, and because it is important to have fast Wi-Fi in the rooms.
